THE AMERICAN JOURNAL OF  
MATERNAL CHILD NURSING

Index to Volume 6

January to December 1981

## SUBJECT INDEX

### A

#### Abnormalities

An infant who survived gastroschisis (Hazel) 35

#### Abortion

Changing the system to meet the needs of patient and nurse (ports) (PS) (Derby, LoBiondo-Wood, Springer) 225

#### Adolescence

Assessment and management of anorexia nervosa (Boyle, Koff, Gudas) 412  
Headaches in adolescents (DeBrun) 407  
What is a normal adolescent? (Nelms) 402

#### Adoption

Research and practice, the Study: Identifying parents in need: an approach to adoptive parenting (Walker) 118; practitioner comments: Adoptive parents need special reassurance (Steenkiste) 122

#### American Journal of Nursing Company

Pres and Publ Thelma M Schorr (NA) 167

#### American Nurses' Association

An open letter from the American Nurses' Association pres (port) (Nichols) 312  
1981 MCH nurse of the year 66

#### Anorexia Nervosa

Assessment and management of anorexia nervosa (Boyle, Koff, Gudas) 412

#### Anoxia

Child drowns: a nursing perspective (illus) (Stichler, Showman) 324

#### Arabia

Arab American women and their birth experiences (Meleis, Sorrell) 171

#### Art Therapy

The frog family books: color the pictures "sad" or "glad" (OP) (Oehler) 281

#### Attachment

Newborn feeding behaviors and attaching (OP) (Taylor) 201

#### Attitude of Health Personnel

Changing the system to meet the needs of patient and nurse (ports) (PS) (Derby, LoBiondo-Wood, Springer) 225

#### Awards and Prizes

1981 MCH nurse of the year 66  
Univ Pittsburgh lectureship in honor of Florence H Erickson and Reva Rubin (NA) 206

### B

#### Bacteriuria

Asymptomatic bacteriuria; a 'silent' problem of pregnant women: (Mocarski) 238 July-Aug 1980; (L) 10

#### Bedwetting See Enuresis

#### Bereavement

Annie is alone: the bereaved child (Hutton) 274  
Death of an infant (Wooten) 257

#### Blood Transfusion

Refusal of blood; an ethical issue (PS) (Elsea,

Miya) 379

#### Bulletin Board (Department)

Aid for diagnosis 429  
ANA's 1981 certification examination 212  
Boost for low-cost maternity care 431  
Call for abstracts 68  
Call for abstracts 140  
Call for abstracts (ICUD, FP&HS) 430  
Call for papers 68  
Double-wall intensive care incubator 430  
Emergency childbirthing 213  
Extramural grants 212  
Hot water frogs 213  
Improved nutrition 213  
Infant mental health 68  
Mental retardation in the '80's Congress 363  
New hope against genetic skin affliction 213  
New nursing list 430  
New test for strep group infections 364  
Nursing shortage documentary 430  
Power failure warning 429  
Precision in Apgar scores 363  
Quality improvement grant 429  
Selecting a baccalaureate program 284  
Spanish editions for mothers of twins 430  
Sterile self-catheterization 284  
Strength for grieving parents 284  
The "lact-aid" 212  
The pill and sah 212  
Univ Md & Catholic Univ call for papers 363  
What is nursing? 284  
Will you help? 140

### C

#### Certification

Recertification; PNP/A (L) (Hobbie) 163

#### Child

Depression in the chronically ill or handicapped school-aged child (Rodgers and others) 266  
Fathering the chronically ill child (McKeever) 124

#### Child Abuse

Battered and pregnant (Sammons) 246  
Prenatal assessment guide for illuminating possible problems with parenting (Josten) 113

#### Child Behavior

Childhood nocturnal enuresis (Ruble) 26

#### Child Development

Developmental approach to physical assessment (Voos) 168

#### Child, Hospitalized

Child is dying: who helps the family? (Williams, Rivara, Rothenberg) 261  
Identify the emotional needs of the hospitalized child (Nelson) 181  
Nursing care for hospitalized children based on different stages of illness (Birchfield) 46  
Preparing children for procedures (Hansen, Evans) 392

The Vietnamese American family . . . and grandma makes three (Grosso and others) 177

#### Childbirth Educators See Patient Education

##### Chronic Disease

Depression in the chronically ill or handicapped school-aged child (Rodgers and others) 266  
Fathering the chronically ill child (McKeever) 124

##### Collective Bargaining

An open letter from the American Nurses' Association pres (port) (Nichols) 312

##### Communication

Newborn feeding behaviors and attaching (OP) (Taylor) 201

##### Community Health Nursing

One way to promote nursing (port) (PS) (Harris) 307

##### Congenital Defects See Abnormalities

##### Continuing Education (Department)

Breast self-examination (Milan) (bk rev) (rev Derwinski-Robinson) 267  
Children's conceptions of death (Lonetto) (bk rev) (rev Mead-Bennett) 285  
Contemporary obstetric and gynecologic nursing (Kester) (bk rev) (rev Gorrie) 286  
Contemporary pediatrics nursing: a conceptual approach (McFarlane and others) (bk rev) (rev Bridgewater) 286  
Culture and childbearing (bk rev) (Clark) (rev Butz) 426  
Emotional care of hospitalized children: an environmental approach (Petrillo, Sanger) (2d ed) (rev Wirth) 208  
Family-centered maternity/newborn care: a basic text (Phillips) (bk rev) (rev Bullock) 288  
Human development; and the adolescent years, 12 to 16 (film rev) (rev Morgan) 288  
Human rights and health care law (Pavalon) (bk rev) (rev Slattery) 288  
Nurse's quest for a professional identity (bk rev) (Cohen) (rev Holmes) 426  
Obstetric nursing (Olds and others) (bk rev) (rev Hurlock) 285  
Parto por cesarea (cesarean birth) (film rev) (rev Long) 426  
Pediatric drugs and nursing intervention (bk rev) (Russell) (Roper) 358  
Perinatal nursing; vol 2: Reproductive risk (Butnareanu and others) (bk rev) (rev Reeb) 285  
Planned home childbirths: parental perspectives (Conklin, Simmors) (rev Fromar) 208  
Pregnant fathers (film rev) (Sharp) 361  
Problems in pediatric drug therapy (Pagliaro, Levin) (rev McNeill) 208  
Rape and sexual assault: management & intervention (bk rev) (Warner) (rev Nunez) 358  
Teenage pregnancy: a new beginning and working with childbearing adolescents: a guide for use (bk rev) (Barr, Monserrat) (Strelnick) 358  
The gentle birth book: a practical guide to Leboyer family-centered delivery (Berezin) (bk

**Cultural Characteristics**  
 Bridging Cultures: Part 1. Arab American women and their birth experiences (Meleis, Sorrell) 31:171; Part 2. The Vietnamese American family . . . and grandma makes three (Grosso and others) 81:177

## D

**Death**  
 Child is dying: who helps the family? (Williams, Rivera, Rotherberg) 261  
 Death of an infant (Wooten) 257  
**Decision Making**  
 Ethical decision-making in nursing (PS) (Thompson, Thompson) 21  
 Under the supervision of the physician (ed) 79  
**Depression**  
 Depression in the chronically ill or handicapped school-aged child (Rodgers and others) 266  
**Diaphragm**  
 Nursing protocol to improve the effectiveness of the contraceptive diaphragm (Gara) 41  
**Disease**  
 Nursing care for hospitalized children based on different stages of illness (Birchfield) 46  
**Dopamine**  
 Dopamine in pediatric therapy (MCN P) (Foster) 279  
**Drowning**  
 Child drowns: a nursing perspective (Illus) (Stichler, Showman) 324  
**Drug Therapy**  
 Aminoglycosides (MCN P) (Foster) 62  
 Dopamine in pediatric therapy (MCN P) (Foster) 279  
 Magnesium sulfate: eclampsia management; effects on neonates (MCN P) (Foster) 355  
 Theophylline (MCN P) (Foster) 136  
 Tolazoline therapy in the hypoxic neonate (MCNP) (Foster) 425

## E

**Editorials**  
 Practicing nurses and research 153  
 State of the art 375  
 Under the supervision of the physician 79  
 Untold wealth: nursing observations 223  
 What MCN's Review Panel looks for when choosing articles 4  
 Where have all the nurses gone? 303  
**Emotions**  
 Identify the emotional needs of the hospitalized child (Nelson) 181  
**Enuresis**  
 Childhood nocturnal enuresis (Rubie) 26  
**Equipment and Supplies, Hospital**  
 An improved technique for securing nasotracheal tubes (Illus) (Enami, Delbianco) 337  
**Ethics**  
 Refusal of blood; an ethical issue (PS) (Eisea, Miya) 379  
**Ethics, Nursing**  
 Ethical decision-making in nursing (PS) (Thompson, Thompson) 21  
 Guidelines: Identifying and analyzing ethical dilemmas in nursing practice 23

## F

**Family**  
 Abuse and neglect of parents by professionals (port) (PS) (Strauss) 157  
 Assessment and management of anorexia nervosa (Boyle, Koff, Gudaa) 412  
 Childhood nocturnal enuresis (Rubie) 26  
 Fitting grandparents into new families (Olson) 419  
**Fantasy**  
 Fantasies during the third trimester of pregnancy (Sherwen) 398  
**Father-Child Relations**  
 Fathering the chronically ill child (McKeever) 124  
**Fear**  
 The frog family books: color the pictures "sad" or "glad" (OP) (Oehler) 281  
**Fetal Alcohol Syndrome**  
 Fetal alcohol syndrome: cause for concern

(Stephens) 251  
**Fetal Monitoring**  
 Parents' responses to fetal monitoring (McDonough, Sheriff, Zimmel) 32  
**Fetus**  
 Research and Practice, the Study: promoting maternal attachment through prenatal intervention (Carter-Jessop) 107; Practitioner comments: Prenatal tactile intervention can be encouraged (Trabert) 108

## G

**Gastrointestinal Disorders**  
 An infant who survived gastroschisis (Hazle) 35  
**Grandparents**  
 Fitting grandparents into new families (Olson) 419  
 The Vietnamese American family . . . and grandma makes three (Grosso and others) 177  
**Grief**  
 Death of an infant (Wooten) 257  
 Nurse and maternal tasks of early postpartum (Illus) (Mercer) 341  
 Child drowns: a nursing perspective (Illus) (Stichler, Showman) 324  
 The frog family books: color the pictures "sad" or "glad" (OP) (Oehler) 281

## H

**Handicapped**  
 Depression in the chronically ill or handicapped school-aged child (Rodgers and others) 266  
**Headache**  
 Headaches in adolescents (DeBrun) 407  
**Historigraphy**  
 Research designs: the historical method (KRI) (Bernard) 391  
**Human Experimentation**  
 Ethical decision-making in nursing (PS) (Thompson, Thompson) 21  
**Hyperinsulinism**  
 Nursing care for children with hypoglycemia due to hyperinsulinism (Fendy, Flynn) 100  
**Hypoglycemia**  
 Nursing care for children with hypoglycemia due to hyperinsulinism (Fendy, Flynn) 100  
**Hypoxia See Anoxia**

## I

**Illness See Disease**  
**Infant**  
 An improved technique for securing nasotracheal tubes (Illus) (Enami, Delbianco) 337  
**Infant, Newborn**  
 Death of an infant (Wooten) 257  
**Infant, Newborn, Disease**  
 An infant who survived gastroschisis (Hazle) 35  
 Nursing care for children with hypoglycemia due to hyperinsulinism (Fendy, Flynn) 100  
 Tolazoline therapy in the hypoxic neonate (MCNP) (Foster) 425  
**Infant Nutrition**  
 Newborn feeding behaviors and attaching (OP) (Taylor) 201  
**Informed Consent**  
 Ethical decision-making in nursing (PS) (Thompson, Thompson) 21  
**Injections**  
 Administering injections to different-aged children (Evans, Hansen) 194  
 Guidelines for administering an injection 196  
 Guidelines for site selection 195  
**Interprofessional Relations**  
 Under the supervision of the physician (ed) 79

## L

**Labor**  
 Childbirth education: Part 1. Childbirth educators: are they helpful? (Dzurec) 329; Part 2. Rule playing in childbirth education classes (Delafleur, Payna) 333  
**Labor, Premature**  
 Ritodrine (MCNP) (Foster) 204

**Letters (Department)**  
 10; 83; 163; 234; 318; 368

## M

**Magnesium Sulfate**  
 Magnesium sulfate: eclampsia management; effects on neonates (MCNP) (Foster) 355  
**Maryland**  
 Bethesda Hospital Obstetrical Department: Parents' responses to fetal monitoring (McDonough, Sheriff, Zimmel) 32  
**Maternal-Child Nursing**  
 Childhood nocturnal enuresis (Rubie) 26  
 Maternal-infants attachment: the first step toward individualizing twins (Gromada) 129  
 Nurse and maternal tasks of early postpartum (Illus) (Mercer) 341  
 Nursing care for hospitalized children based on different stages of illness (Birchfield) 46  
 Preparing children for procedures (Hansen, Evans) 392  
**MCN, American Journal of Maternal Child Nursing (Magazine)**  
 MCN information for prospective authors 242  
 Portrait of MCN's subscribers (Bahop) 238  
 State of the art (ed) 375  
**MCN Keys to Research (Department)**  
 Research designs: descriptive method (Bernard) 243  
 Research designs: experimental method (Bernard) 321  
 Research designs: the historical method (Bernard) 391  
 The research question (Bernard) 211; ed 153  
**MCN Pharmacopoeia (Department)**  
 Aminoglycosides (Foster) 62  
 Dopamine in Pediatric therapy (Foster) 279  
 Magnesium sulfate: eclampsia management; effects on neonates (Foster) 355  
 Ritodrine (Foster) 204  
 Theophylline (Foster) 136  
 Tolazoline therapy in the hypoxic neonate (Foster) 425  
**Mental Retardation**  
 Fetal alcohol syndrome: cause for concern (Stephens) 251  
**Middle East**  
 Arab American women and their birth experiences (Meleis, Sorrell) 171  
**Migraine**  
 Headaches in adolescents (DeBrun) 407  
**Mother-Child Relations**  
 Maternal-infants attachment: the first step toward individualizing twins (Gromada) 129  
 Newborn feeding behaviors and attaching (OP) (Taylor) 201  
 Research and practice, the Study: promoting maternal attachment through prenatal intervention (Carter-Jessop) 107; Practitioner comments: prenatal tactile intervention can be encouraged (Trabert) 108  
**Mothers**  
 Nurse and maternal tasks of early postpartum (Illus) (Mercer) 341

## N

**Nasotracheal Tubes See Equipment and Supplies, Hospital**  
**National Board of Pediatric Nurse Practitioners and Associates**  
 Recertification: PNP/A (L) (Hobbie) 163  
**Neonatal Intensive Care Units**  
 Death of an infant (Wooten) 257  
**Nocturnal Enuresis See Enuresis**  
**Nurses in Action (Department)**  
 Nurses in action: Free and publ Am J Nurs Co Thelma M Schorr (port) 167  
 Univ of Pittsburgh lectureship in honor of Florence H Erickson and Reva Rubin (Illus) 206  
**Nurses (Supply and Distribution)**  
 Where have all the nurses gone? (ed) 303  
**Nursing Assessment**  
 Assessment and management of anorexia nervosa (Boyle, Koff, Gudaa) 412  
 Developmental approach to physical assessment (Yooa) 168  
 Prenatal assessment guide for illuminating possible problems with parenting (Josten) 113  
**Nursing Care**  
 Child drowns: a nursing perspective (Illus) (Stich-

ler, Showman) 324  
Nursing care for children with hypoglycemia due to hyperinsulinism (Fendy, Flynn) 100  
**Nursing Intervention**  
Continuum approach: nursing interventions 48  
**Nursing Issues**  
Balancing the power: improving health care for women (PS) (Estok) 91  
Under the supervision of the physician (ed) 79  
**Nursing Records**  
Unfold wealth: nursing observations (eds) 223  
**Nursing Staff**  
Changing the system to meet the ends of patient and nurse (ports) (PS) (Derby, LoBiondo-Wood, Springer) 225  
**Nutrition**  
Improved nutrition (BB) 213

## O

**Open Page (Department)**  
Newborn feeding behaviors and attaching (Taylor) 201  
The frog family books: color the pictures "sad" or "glad" (Oehler) 281

## P

**Parent-Adolescent Relations**  
Assessment and management of anorexia nervosa (Boyle, Koff, Gudas) 412  
What is a normal adolescent? (Neims) 402  
**Parent-Child Relations**  
Annie is alone: the bereaved child (Hutton) 274  
Child drowns: a nursing perspective (illus) (Stichler, Showman) 304  
The frog family books: color the pictures "sad" or "glad" (OP) (Oehler) 281  
**Parent-Child Relations (Special Section)**  
Adoptive parents need special reassurance (Van Steenkiste) 122  
Fathering the chronically ill child (McKeever) 124  
Identifying parents in need: an approach to adoptive parenting (Walker) 118  
Maternal-infants attachment: the first step toward individualizing twins (Gromada) 129  
Prenatal assessment guide for illuminating possible problems with parenting (Josten) 113  
Prenatal tactile intervention can be encouraged (Trabert) 108  
Promoting maternal attachment through prenatal intervention (Carter-Jessop) 107  
**Parenting**  
Enhancing couple relationships during prenatal and postnatal classes (Woolery, Barkley) 184  
Prenatal assessment guide for illuminating possible problems with parenting (Josten) 113  
Prenatal assessment of parenting guide, part 1 114  
Research and practice: the Study: Identifying parents in need: an approach to adoptive parenting (Walker) 118; Practitioner comments: Adoptive parents need special reassurance (Steenkiste) 122  
**Parents**  
Abuse and neglect of parents by professionals (port) (PS) (Strauss) 157  
Childbirth education: Part 1. Childbirth educators: are they helpful? (Dzurec) 329; Part 2. Role playing in childbirth education classes (Delafleur, Payne) 333 329  
Parents' responses to fetal monitoring (McDonough, Sheriff, Zimmel) 32  
**Patient Care Team**  
Nurse: a member of the school team (Switzer, Kelly) 189  
**Patient Education**  
Childbirth educators: are they helpful? (illus) (Dzurec) 329  
Childbirth education: Part 1. Childbirth educators: are they helpful? (Dzurec) 329; Part 2. Role playing in childbirth education classes (Delafleur, Payne) 333 329  
Preparing children for procedures (Hansen, Evans) 392  
**Pediatrics**  
Dopamine in pediatric therapy (MCNP) (Foster) 279

**Peer Group**  
What is a normal adolescent? (Neims) 402  
**Phenytoin**  
New hope against genetic skin affliction (BB) 213  
**Physical Examination**  
Developmental approach to physical assessment (Yoo) 168  
**Physician-Patient Relations**  
Balancing the power: improving health care for women (PS) (Estok) 91  
**Postpartum Care**  
Enhancing couple relationships during prenatal and postnatal classes (Woolery, Barkley) 184  
Instituting postpartum self medication program (Mynick) 422  
Nurse and maternal tasks of early postpartum (illus) (Mercer) 341  
**Pregnancy**  
Arab American women and their birth experiences (Meleis, Sorrell) 171  
Enhancing couple relationships during prenatal and postnatal classes (Woolery, Barkley) 184  
Rubella protection for maternal child health care providers (Claypool) 53; Correction 166  
**Pregnancy Trimester, Third**  
Fantasies during the third trimester of pregnancy (Sherwen) 398  
**Prenatal Care**  
Enhancing couple relationships during prenatal and postnatal classes (Woolery, Barkley) 184  
**Problem Solving**  
Abuse and neglect of parents by professionals (port) (PS) (Strauss) 157  
**Professional-Family Relations**  
Child is dying: who helps the family? (Williams, Rivera, Rothenberg) 261  
**Professional Nursing Practice**  
Ethical decision-making in nursing (PS) (Thompson, Thompson) 21  
One way to promote nursing (port) (PS) (Harris) 307
